Trained as a Primary teacher and specialising in music, child development and motor development, **Gill Connell** has taught extensively at all levels from birth to year 8. Her company - *Moving Smart Ltd.*, works to support and provide assistance for parents, caregivers and teachers in the areas encompassing Child and Motor Development, PMP and the Smart Words Word Study Programme.

Southern REAP is excited to offer Gill's expert services again during August for both **Baby's Best Start** and **Transitioning to School** classes.

Transitioning To School

Gore, Winton and Frankton will host these sessions for teachers in the Early Childhood and Junior Sectors. The seminar offers an in-depth holistic look into the foundation skills necessary for a child to be competent in when transitioning to school. Gill covers physical & motor development, language, memory, visual & auditory skills and the very important... social skills.

Baby's Best Start

Gore, Te Anau and Frankton's caregivers and parents will have the opportunity to bring along their babies to a FREE* hands-on class where Gill will introduce them to simple, fun activities that they can continue at home. She will outline developmental milestones, why movement is so important and ways you can give them the Best Start!

* *Baby's Best Start* classes are FREE and have been proudly supported by HEHA - Healthy Eating Healthy Action, and offered in conjunction with Southern REAP.
